Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I have served on the board of Prosper West for the last several years and I have never been more excited about it's mission and strategic direction. The Westside is home to San Antonio's tradition and culture. Businesses are often family-owned and passed down through generations. These small business owners have lacked access to equity and development to grow and hire more employees. I am excited about how Prosper West seeks to enhance economic opportunities and development in the Westside but ensuring to protect against gentrification and displacement. PW's approach to equitable economic development that will only enhance the amazing heart of San Antonio that the Westside is.
