RECOMMENDATION:**Staff Analysis and Recommendation:** Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Guadalupe/Westside Community Plan and is currently designated as “Low Density Residential” in the future land use component of the plan. The requested “R-4” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing "O-2" High-Rise Office District is not an appropriate zoning for the property and surrounding area. A high-rise office complex would be out of place along Monterey Street. The proposed "R-4" Residential Single-Family District is an appropriate zoning for the property and is consistent with the “R-4” Residential Single-Family to the south of the subject property and within the block.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the Guadalupe/Westside Community Plan.

Relevant Goals, Objectives and Action Steps of the Guadalupe/Westside Community Plan:

GOAL 20: Housing – Improve the quality, variety, and accessibility of the private and public housing stock within the Guadalupe/Westside Community of individuals of all ages and economic levels.

Objective 20.1: Diversity of Housing – Promote a diverse variety of housing stock in the community that sustains all ages and economic groups.

Objective 20.1.3 – Reduce occurrences of commercial encroachment into residential areas.

Relevant Goals and Policies of the Comprehensive Plan may include:

GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.

GCF P8: Continue to focus on the revitalization of neighborhoods adjacent to downtown and extend these efforts to regional centers, urban centers and transit corridors.

6. **Size of Tract:** The 0.2396 acre site is of sufficient size to accommodate the proposed residential development.
7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JB SA was notified of the proposed request. The Military has indicated that there are no objections to this request.
