2. Grant.

2.01. Landlord leases the Premises to Tenant, and Tenant takes the Premises from Landlord on the terms and conditions of this lease ("Lease").

2.02. Tenant's right of occupancy begins at the Occupancy Commencement Date. Move-in ready means that the Premises are finished-out according to the requirements of this Lease, except for minor items such as are routinely corrected with a punch list.

2.03. This agreement is binding on the parties on the later of the signatures of the two parties.

Attachment I

3. Rent.

3.01. Monthly Rent Table:

Lease Year	Base Rent	Rent Attributed to Landlord's Work Cost	Total Monthly Rent
1	\$6,302.09	\$5,248.92	\$11,551.01
2	\$6,428.12	\$5,248.92	\$11,677.04
3	\$6,557.64	\$5,248.92	\$11,806.56
4	\$6,688.05	\$5,248.92	\$11,936.97
5	\$6,821.87	\$5,248.92	\$12,070.79
6	\$6,959.26	\$0.00	\$6,959.26
7	\$7,097.56	\$0.00	\$7,097.56
8	\$7,239.41	\$0.00	\$7,239.41
9	\$7,384.81	\$0.00	\$7,384.81
10	\$7,533.82	\$0.00	\$7,533.82

Rent attributed to Landlord's Work Cost is based on a total cost to construct the improvements detailed in Exhibit A-2 not to exceed \$362,576, with Landlord's Finish Out Allowance of \$78,125.00 being deducted from Landlord's Work Cost. The figures cited above assume a total expenditure for Landlord's Work Cost of \$350,985.85 and the sum of \$272,860.85 being amortized in 60 equal payments over the first five years of the Initial Term at 6% annual interest. Within 60 days of the Rent Commencement Date the parties will confirm the actual Landlord's Work Cost and the rent reflected in the table above will be adjusted to reflect actual expenditures up to \$362,576, less Landlord's Finish Out Allowance and that figure will be amortized over the first 60 months of the Initial Term at 6% annual rate of interest.

The Base Rent includes all probable costs incurred by Landlord for common area maintenance, taxes and insurance and is not subject to adjustment.

3.02. Tenant must pay the Rent in the amount described in this section in advance on the first day of each month or within 10 days thereafter without penalty. Tenant further may be more than 10 days late once in a calendar year without penalty. On the second and each later occasion in a calendar year on which Tenant is more than 10 days late, Landlord may deliver to Tenant written notice of delinquency. If Tenant does not pay the full amount due within 15 days from delivery of Landlord's notice, then Tenant shall pay a late charge of 5% of the delinquent amount as additional rent. The late charge represents a fair and reasonable estimate of costs Landlord will incur because of the late payment. Interest and late charges are in addition to all Landlord's other rights and remedies.

Attachment I

3.03. Tenant's covenant to pay Rent and Landlord's covenants are independent. Except as otherwise provided, Tenant shall not abate Rent.

3.04. Prior to receiving payment under the terms of this Lease, Landlord and any successor in interest to Landlord will register the entity that will receive payment with the City of San Antonio as a vendor including providing all reasonable tax information requested by Tenant.

4. Term, Renewal, and Termination.

4.01. The term of this Lease is the Initial Term, unless sooner terminated as provided in this Lease.

4.02. Tenant shall have the right to terminate this Lease with 180 days written notice to Landlord. However, if termination is before the expiration of the 60th month of occupancy, then Tenant shall pay Landlord, within 30 days of the date Tenant gives Landlord written notice of termination, the unamortized balance of the renovation cost (as established by **Exhibit B**, Initial Cost Memorandum).

4.03. Renewal. Tenant shall have one, ten (10) year renewal option with 180 days written notice to Landlord prior to Lease expiration. The Monthly Gross Rent for the renewal term will include the two percent annual increase so that the Monthly Gross Rent for the first year of the renewal term will be \$7,684.50 and the Monthly Gross Rent shall increase by a similar percentage each year for the remainder of the renewal term.

5. Tenant's Affirmative Promises.

Tenant promises that it will:

5.01. Obey (a) all applicable laws relating to the use, condition, and occupancy of the Premises and shopping center; (b) any requirements imposed by utility companies serving or insurance companies covering the Premises or Shopping Center; and (c) any rules and regulations for the Shopping Center and common areas adopted by Landlord.

5.02. Allow Landlord to enter the Premises to perform Landlord's obligations, inspect the Premises, and show the Premises to prospective purchasers or tenants subject to Section 26 in this Lease.

5.03. Obtain and pay for separately metered electric and gas servicing the Premises.

5.04. Obtain and pay for a service contract with a professional HVAC company to change the HVAC filters on a quarterly basis with filters rated at MERV 13 or higher.

Attachment I

5.05. In addition to the cost of the HVAC filter change contract stipulated in Section 5.04, and subject to Landlord maintaining and replacing the HVAC systems that serve the Premises, Tenant will pay an amount not to exceed \$500.00 annually (annually is January 1st, through December 31st) for HVAC maintenance and repair cost, if any are actually incurred by Landlord.

5.06. Submit in writing to Landlord any request for repairs, replacement, and maintenance that are obligations of Landlord. Such request for repairs shall be made within ten (10) days from the date Tenant notices the need for the repair.

5.07. Vacate the Premises and return all keys, codes and combinations (if applicable) to the Premises promptly upon expiration of the Term, subject to any holdover rights. At the time Premises is vacated, Tenant may leave in place, at its option, any network cabling or other wiring installed by Tenant above the ceiling.

5.08. Timely pay all property taxes accrued against Tenant's personal property located in the Premises.

6. Tenant's Negative Promises.

Tenant promises that it will not:

6.01. Use the Premises for any purpose other than the Permitted Use.

6.02. Create a nuisance.

6.03. Permit waste.

6.04. Use the Premises in any way that would increase insurance premiums or void insurance on the Shopping Center.

6.05. Change Landlord's lock system.

6.06. Alter the Premises.

6.07. Allow a lien to be placed on the Premises.

6.08. Except as provided in Section 25 of this Lease, assign this lease or sublease any portion of the Premises without Landlord's written consent, which must not be unreasonably withheld.

Attachment I

7. Landlord's Affirmative Promises.

Landlord promises that it will:

7.01. Lease to Tenant the Premises for the entire Term, beginning on the Occupancy Commencement Date.

7.02. Obey all applicable laws with respect to Landlord's operation of the Shopping Center and common areas.

7.03. Provide the Essential Services.

7.04. Landlord's Work. Landlord will renovate the Premises as specified in **Exhibit A** (Premises Diagram - Floorplan), **Exhibit A-1** (Pricing Notes), and **Exhibit A-2** (Construction Drawings). The Tenant will pay all amounts above \$78,125.00 (\$78,125.00 is the Landlord's Finish-Out Allowance) at 6% interest amortized over the first 5-years (60 months) of the lease term as shown in Section 3.01. The total cost of Landlord's Work (Landlord's Work Cost), including architectural fees, may not exceed a total of \$362,576.00. Any amounts above \$362,576.00 will be paid by the Landlord with no obligation by the Tenant to reimburse the Landlord for the overage. The Landlord's Work Cost will be memorialized on the Initial Cost Memorandum attached as **Exhibit B**. If Tenant exercises its option to terminate the Lease as provided by Section 4.02 before the expiration of the 60th month of occupancy, then Tenant will pay the unamortized balance of the Landlord's Work Cost. The leased premises and access to the leased premises must be compliant with the current Americans with Disabilities Act (ADA) Standards for Accessible Design. Any improvements needed in order to meet ADA Standards compliance, will be at Landlord's sole cost and expense and will not be added to or deducted from the Landlord's Work Cost.

Tenant will have the right at any time during the first sixty (60) months of the primary term to pay Landlord any amount of the unamortized balance of the Landlord's Work Cost. The unamortized remaining balance, if any, will be amortized at 6% interest, to be paid over the remaining months, of months 1 through 60 of the term, and the Amortized Landlord's Work Cost Reimbursement portion of the Total Monthly Rent in Section 3.01 will be decreased accordingly.

7.05. Mold.

7.05.01. Process of Assessment. If Tenant suspects or identifies the presence of mold within the Premises after taking possession, Landlord shall engage a licensed mold assessor ("assessor") to make an inspection not later than the third business day from the date Tenant notifies Landlord in writing of the issue (Tenant's Mold Notice). As used herein, "business day" shall mean any non-holiday Monday through Friday. Landlord's assessor shall, within 10 business days from the date of the Tenant's Mold Notice, provide Landlord and Tenant a report of the findings of the inspection (Assessor's Report). If the Assessor's Report concludes that mold is

Attachment I

present, Landlord shall notify Tenant, in writing (Landlord's Mold Notice), not later than the third business day from the date Landlord and Tenant receive the report, of its intention to remediate the mold. The Landlord's Mold Notice must also include a schedule outlining the period of time it will take for a licensed remediation contractor to complete the work. Failure to make this date is an event of default. If Landlord elects to remediate the mold, Landlord must retain a licensed abatement contractor to ensure the abatement is conducted in compliance with current state mold assessment and remediation legal requirements including the promulgated Mold Assessment and Remediation Rules, last amended on May 20, 2007. Upon completion of the mold remediation, the licensed abatement contractor must provide both Landlord and Tenant a report from a licensed environmental testing firm confirming that mold is not present at the Premises.

7.05.02. No Landlord Remediation or Landlord Remediation Taking Longer than 30 days. If Landlord 1.) fails to timely provide Tenant the Landlord's Mold Notice 2.) elects not to remediate, or 3.) conveys that the remediation is scheduled to take longer than 30 calendar days to be completed, as evidenced by a remediation schedule provided by a licensed remediation contractor, then Tenant may terminate this Lease effective with thirty (30) days' written notice to Landlord (Tenant's Election to Terminate Notice). If Tenant exercises this option, Tenant's obligation to pay rent will cease effective 30 days after Landlord's receipt of Tenant's Mold Notice or the date Tenant has fully vacated the Premises, whichever is later. In such circumstance, Landlord shall have no right to re-capture any expenditures related to Landlord's Work Cost and Tenant shall have 30 days from the date of this Notice to fully vacate the Premises or remediate the mold itself and deduct the remediation cost from the rent next due until such time that the costs incurred by Tenant including the 10% fee are fully recovered.

7.05.03. Rental Abatement. During any mold assessment and remediation period, whether the work is done by Landlord or by Tenant, the rent will be abated for any portion of the Premises deemed by Tenant unusable due to the presence of mold or the remediation activity related to it.

7.06. Deliver to Tenant an Asbestos Survey of the Premises no later than the Commencement Date established by **Exhibit C**, in accordance with the provisions of § 6-293 of the City Code of the City of San Antonio, Texas.

7.07. Timely pay when due all charges for utility services to the Premises, except for services the payment of which are expressly allocated to Tenant.

7.08. Pay all property taxes assessed against the property of which the Premises are part on or before the assessment of interest or penalties for late payment.

Attachment I

8. Landlord's Negative Promises.

Landlord promises that it will not:

- 8.01. Interfere with Tenant's possession of the Premises as long as Tenant is not in default.
- 8.02. Unreasonably withhold consent to a proposed assignment or sublease.

9. Repair, Maintenance and Replacement Responsibilities.

Landlord and Tenant, each at their sole cost and expense, must repair, maintain, and replace, if necessary, any building component allocated to it in the table below:

10. Alterations.

Any physical additions or improvements to the Premises made by Tenant will become the property of Landlord. Landlord may require that Tenant, at the end of the Term and at Tenant's expense, remove any physical additions and improvements, repair any alterations, and restore the Premises to the condition existing at the Occupancy Commencement Date, normal wear excepted.

11. Insurance.

11.01. Tenant will self-insure as it deems advisable against property loss. As a political subdivision of the State of Texas, Tenant is subject to the Texas Tort Claims Act, and the obligations of Tenant and the rights of persons claiming against Tenant are subject to that Act.

11.02. Landlord must maintain Commercial General Liability insurance of not less than \$1,000,000 and property and casualty insurance for physical damage to the Premises in the amount of 100% of replacement cost.

and

Center City Development and Operations
P. O. Box 839966
San Antonio, Texas 78283-3966

"The insurance provided by Landlord is primary to any insurance or self-insurance maintained by the City of San Antonio."

"Any insurance or self-insurance maintained by the City of San Antonio applies in excess of, and does not contribute with, insurance provided by this policy."

Each insurance policy required by this Lease must contain the following clause:

"The City of San Antonio, its officials, employees, representatives and volunteers are added as additional insureds as respects operations and activities of, or on behalf of, the named insured performed under this Lease with the City of San Antonio. This policy cannot be invalidated as to Tenant because of Landlord's breach of representation, warranty, declaration, or condition of this policy."

11.02.02. Within 30 days after the Occupancy Commencement Date and promptly after Tenant's later request, Landlord must, at its own expense, deliver certificates to Tenant's Risk Manager and to the City Clerk, reflecting all required insurance coverage, together with copies of policies and endorsements. All endorsements and certificates must be signed by an authorized representative of the insurance agent and must include the signatory's company affiliation and title.

11.02.03. The Notices and Certificates of Insurance must be provided to the same addresses as for notices of cancellation.

12. Release of Claims/Subrogation.

The insurance requirements of this Lease are a bargained-for allocation of risk of loss. Landlord and Tenant each release the other from claims arising from injury or loss to either of them or to third parties to which they are liable, if the injury or loss is covered by insurance the waiving party is required by this Lease to maintain, whether or not the party actually has the insurance ("Covered Claims"). This release is additional to and does not limit any other release contained in this lease. Landlord and Tenant, to the maximum extent allowable without causing cancellation of a required policy, will require their insurers to waive subrogation against each other for Covered Claims.

Attachment I

13. Indemnity.

13.01. These definitions apply to the indemnity provisions of this Contract:

13.01.01. "Indemnified Claims" mean all loss, cost, liability, or expense, directly or indirectly arising, in whole or in part, out of acts or omissions of any person other than an Indemnitee that give rise to assertions of Indemnitee liability under this Contract, whether or not the person is a party to this agreement. Indemnified Claims include attorneys' fees and court costs and include claims arising from property damage and from personal or bodily injury, including death. Indemnified Claims also include claims in which an Indemnitee shares liability with the Indemnitor, excluding only claims as to which Indemnitees are solely negligent.

13.01.02. "Indemnitees" means the City of San Antonio and its elected officials, officers, employees, agents, and other representatives, collectively, against whom an Indemnified Claim has been asserted.

13.01.03. "Indemnitor" means Landlord.

13.02. Indemnitor must indemnify Indemnitees, individually and collectively, from all Indemnified Claims.

13.03. If one or more Indemnitees are finally adjudged to bear fault outside the scope of this indemnity, Indemnitor need not further indemnify the so-adjudged Indemnitees from liability arising from the Indemnitees' adjudicated share of liability. But despite allegations that one or more Indemnitees bear such fault, Indemnitor must nevertheless defend all Indemnitees until final adjudication and all appeals have been exhausted. An Indemnitee may but need not waive appeals. Indemnitor may not recover sums previously spent defending or otherwise indemnifying Indemnitees finally adjudged to bear fault outside the scope of this indemnity and must continue to indemnify other Indemnitees if claims are still asserted against them.

13.04. There are no third-party beneficiaries of this indemnity other than the category of people and entities included within the definition of Indemnitees.

13.05. Indemnitor must promptly advise the City of San Antonio in writing of any Indemnified Claim and must, at its own cost, investigate and defend the Indemnified Claim. Whether or not the City of San Antonio is an Indemnitee as to a particular Indemnified Claim, the City of San Antonio may require Indemnitor to replace the counsel Indemnitor has hired to defend Indemnitees. The City may also require Indemnitor to hire specific-named counsel for so long as the named counsel's hourly rates do not exceed the usual and customary charges for counsel handling sophisticated and complex litigation in the locale where the suit is pending. No such actions release or impair Indemnitor's obligations under

Attachment I

this indemnity paragraph, including its obligation to pay for the counsel selected by City. Regardless of who selects the counsel, the counsel's clients are Indemnitees, not Indemnitor.

13.06. In addition to the indemnity required under this Contract, each Indemnatee may, at its own expense, participate in its defense by counsel of its choosing without relieving or impairing Indemnitor's obligations under this indemnity paragraph.

13.07. Indemnitor may not settle any Indemnified Claim without the consent of the City of San Antonio, whether or not the City is an Indemnatee as to the particular Indemnified Claim, unless (A) the settlement will be fully funded by Indemnitor and (B) the proposed settlement does not contain an admission of liability or wrongdoing by any Indemnatee. The City's withholding its consent as allowed in the preceding sentence does not release or impair Indemnitor's obligations of this indemnity paragraph. Even if the City of San Antonio is not an Indemnatee as to a particular Indemnified Claim, Indemnitor must give City at least 20 days advance written notice of the details of a proposed settlement before it becomes binding. Any settlement purporting to bind an Indemnatee must first be approved by City Council.

13.08. Nothing in this Contract waives governmental immunity or other defenses of Indemnitees under applicable law.

13.09. If, for whatever reason, a court refuses to enforce this indemnity as written, and only in that case, the parties must contribute to any Indemnified Claim 5% by the Indemnitees and 95% by the Indemnitor. Indemnitor need look only to the City of San Antonio for Indemnitees' 5% if the City of San Antonio is an Indemnified Party as to a particular Indemnified Claim.

14. Casualty/Total or Partial Destruction.

14.01. If the Premises or any portion thereof are damaged by casualty and can be restored within 90 days of the date that Landlord is first aware of the damage, Landlord will, at its expense, restore the roof, foundation, common areas, and structural soundness of the exterior walls of the Premises and all leasehold improvements within the Premises, including interior partitions, ceilings, wiring, light fixtures, and plumbing. Restoration must be at no cost to Tenant and in substantially the same condition existing before the casualty. If Landlord fails to complete the portion of the restoration for which Landlord is responsible within 90 days from the loss, Tenant may terminate this lease by written notice delivered to Landlord. Evidence of completion shall include a Certificate of Occupancy or other documentation issued from the City of San Antonio department charged with managing the building permit process that all work has been completed as required by law.

14.02. If the Premises cannot be restored within 90 days, Landlord has the option of whether or not to restore the Premises. If Landlord chooses not to restore or fails to notify Tenant of its intent to restore the Premises within thirty (30) days of the date that Landlord is first aware

Attachment I

this Lease shall terminate. If Landlord chooses to restore the Premises, Landlord will notify Tenant of the estimated time to restore in writing. Tenant shall then have 10 days from the date of notice to terminate the Lease. If Tenant does not terminate this Lease, the Lease will continue, and Landlord will restore the Premises as provided above.

14.03. During the period before Landlord completes restoration, the Rent will be adjusted as may be fair and reasonable based on the portion of the Premises deemed unusable by Tenant due to the damage.

14.04. As with the insurance requirements, the rebuilding obligations of this paragraph are a bargained-for allocation of risk.

15. Condemnation/Substantial or Partial Taking.

15.01. If the Premises or any portion of them are taken by eminent domain, or sale in lieu of eminent domain, by any entity other than Tenant, the Lease automatically terminates as to the part so taken as of the date the condemning authority takes title or possession, whichever occurs first.

15.02. If entire Premises are not taken, the Rent payable during the unexpired portion of the Term will be adjusted as may be fair and reasonable.

15.03. The Award shall be divided between Landlord and Tenant as their respective interests appear, with compensation due Landlord for damage to its reversionary interest, if any, and to Tenant for damage to its leasehold, if any. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises or the land on which the Premises is situated.

16. Holdover.

If the Lease has not been earlier terminated according to its terms and Tenant is current on rent, both after the Initial Term and after any renewals provided for in this instrument, Tenant may hold-over for up to six additional months on a month-to-month basis. Tenant need not give advance notice of intent to exercise this hold-over right. 19.09. Each party must indemnify the other party and its respective officials, employees, and contractors from loss, cost, liability, or expense (including, but not limited to, attorneys' fees and expenses, including all attorney's fees and expenses incurred by notifying party in enforcing this indemnity) arising from or relating to breach of the environmental representations, warranties, and covenants set forth herein.
