<p>Describe your Volunteer Experience & Community Service</p>	<p>Currently I serve as an executive member of the San Antonio Regional Flood Planning Group for Region 12, I have served as Chair for this group for a period of 6 months I also serve on the Westside TIRZ as appointed by CD 5. I volunteer at UTSA as a Senior Design Mentor and judge</p>
<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>As a native San Antonian, I have seen our city experience incredible flood events, and time after time we have been resilient. This drive to prepare and help our neighbor defines us and drove me to study engineering here locally at UTSA. I have served this community from the public sector as well as the private sector working at both City of San Antonio and the San Antonio River Authority. I have worked for various engineering firms including my current employer Tetra-tech, Kimley-Horn and Pape-Dawson. I am well known and respected in the engineering community as well as those in city council. In my time at the City of San Antonio, in Public Works I helped developed this committee. I worked with council to develop</p>

	<p>the framework and scope of this group. This is a valuable committee that would help direct resources and a vision for our future in flood risk protection. I would be an honor to serve my community as chair or as a committee member.</p>
