1. Minutes

Minutes from the February 27, 2023 and May 12, 2023 SBEDA Committee meetings will be considered as part of a future Committee agenda.

2. Briefing on the 2023 SBEDA Disparity and Causation Analysis Study (Disparity Study).

Briefing was presented by Colette Holt & Associates who conducted the Study. Upon conclusion of the briefing, Colette and City staff took public comments, questions, and feedback from the attendees, which is reflected below.

Public Comments Summary

- What is the mindset someone should adopt when analyzing the Study?
- How would the SBEDA Committee help City staff address the Study findings?
- What are the current legal cases undergoing litigation that concern you regarding the future of affirmative action contracting?
- What communities have positive disparity study findings and SBEDA program type commitments to small, minority, and woman-owned business?
