Describe your Volunteer Experience & Community Service	In addition to serving on the SAWS board and the CIAC, I volunteer for food bank distributions. I also spent several years as a hospital advocate for the Rape Crisis Center.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	As a water attorney who specializes in water governance, sustainability, and pricing a SAWS trustee is a position I take very seriously. Born in San Antonio, I have lived through the history of water in this city and am honored to currently be serving at such a critical time in the its history. SAWS will continue to face challenges as water rates increase and our ratepayers recover from the financial impact of COVID. During the time I have served, the board has improved transparency and customer service, but there is still more to be done and I would be honored to continue my service on the board.
