Describe your Educational history.	After immigrating to the United States from Taiwan as a teenager, I completed high school in Covington, Tennessee. I was fortunate to receive scholarships for Mathematics and Art from Union University in Jackson, Tennessee, from which I received a Bachelor of Arts degree. Later I graduated from Memphis University with a Master of Fine Arts degree.
Describe your Professional History & Certification	As the attached resume indicates, I have almost four decades of

designations (Current and historical).

experience in museum design and management, working for both major nonprofits and as an independent consultant. In addition to design, operations and management experience, I have also worked as a registrar, curator and administrator. I have managed loans of artworks and artifacts and overseen the installation of entire exhibitions, including the blockbuster Splendors of Mexico at the San Antonio Museum of Art. As a curator and administrator, I have been responsible for exhibition development and calendaring, and have worked closely with outreach and education departments on special programs and educational materials. I have supervised staff of up to 25 employees, and routinely represented my institution at professional events and conferences. I have frequently been told that one of my strengths is my ability to communicate well with each of the museum departments involved in producing exhibitions, from technical services and operations to conservation and registration, curatorial and education/interpretation, and administration. Along with my people skills, I believe that my experience having worked with both technical and creative people

	<p>enables me to build productive working relationships with colleagues as well as with the clients I have continued to enjoy serving in my independent design and consulting practice, following my retirement from institutional employment last year.</p>
<p>Describe your Volunteer Experience &amp; Community Service</p>	<p>I always seek to participate in the local communities where I live. For example, while living in Dallas, I volunteered to teach U.S. history classes for immigrants preparing for their citizenship exams in Los Angeles, I helped organize an urban forestry project while living in Washington D.C., I volunteered at WPA (Washington Project for the Arts) where I served as guest curator for its annual fund raising auction gala. I have also done pro-bono exhibition design work for numerous projects, including the Texas Biennial.</p>
<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I fell in love with San Antonio when I lived here from 1990 to 1993, and which I have chosen now as my retirement home. As an avid gardener, I take particular interest in the work of SAWS and I am very impressed by the variety of community programs SAWS produce. Living in Los Angeles especially taught me the importance of water conservation and it would be an honor to</p>

	participate in this important work.
