Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I was born to serve my community, not just the southside but all of SA. If selected I would make sound, thoughtful and fair recommendations to the leadership of this organization. I would actively participate in creating and marketing "green" programs to help make our water systems and all things connected to water usage viable for future generations. But most of all I would commit to attending all meetings and focus on listening to constituents and leadership to help build a solid partnership.
