BACKGROUND INFORMATION:

After a Council Consideration Request from Council Member Adriana Rocha Garcia and significant public engagement led by Economic Development staff, on February 18, 2021, City Council authorized the creation of a 15-member Small Business Advisory Commission, of which 11 positions are Mayor and Council District specific appointments and four positions are appointed at-large. All members, who must be approved by full City Council, apply through the Board and Commissions process, through which the Mayor and City Council will select their specific

appointments and the remaining at-large members will be interviewed by the Economic and Workforce Development Committee. Each Commission member is to be appointed for a 2-year term for a maximum of 4 consecutive terms (8-year limit).

The 15-member Commission is composed of the one small business member/ organization residing and/or operating within each of the ten Council Districts. The following table provides the current composition of the Commission.

On January 10, the Economic and Workforce Development Committee created a sub-committee to review applicants for the At-Large positions. The committee included Councilmembers Viagran and Rocha Garcia.

On February 15, the sub-committee met and identified 7 applicants to recommend to the EWDC Committee for interviews at its February 22 meeting.

ISSUE:

Recommendation of applicants to be appointed by City Council to the Small Business Advisory Commission. The 7 applicants listed below were recommended by the sub-committee.

Category	Applicant

	Marcos Sarmiento

Appointees will serve a term of office to begin upon approval by City Council and to expire on May 31, 2023.

FISCAL IMPACT:

There is no fiscal impact.

ALTERNATIVES:

The Committee can reject all or some of the applicants. If the applicants are rejected, additional applicants not originally recommended for interview may be reconsidered, or additional applications may be sought. However, this will delay the process of filling the vacancies, which could impact the ability to obtain quorum for Commission meetings and conduct its work.

RECOMMENDATION:

The recommendation of the Economic and Workforce Development Council Committee will be presented to the full City Council for approval at a future Council A Session.

Please provide a brief summary of your expertise and/or perspectives.	We've been in the charter bus business for 28 Years in that time, we've gone from not having any buses to having 19 of the newest motorcoaches in the industry. I'm currently on the Hispanic Motorcoach Association and Director of Southwest Motorcoach Association representing Texas. We bring in about 100,000 a year by bus from all over the world and also provide transportation for conventions, military, k-12 schools, and local Universities.
Please provide a description of your professional, educational and community/volunteer experience.	I volunteer and donate to our community, whether it be time or free trips for youth groups to go on field trips and sponsorships.
Please share your interest and commitment to racial and economic justice and other social equity issues.	I'm an advocate for our industry when it comes to voicing and representing minorities in our industry. As a Latino that was born and raised in San Antonio, I always demand minorities get a fair chance.
Please explain why you would like to serve on this committee.	With our city growing at the pace it's been growing we a leader that's in the industry to have their input on transportation. When people in San Antonio think of buses they think of Via, not the charter buses that are moving the military, helping out with Hurricane Evacuations, taking youth groups to their playoff games, picking up 10,000 travelers at the airport for the Valero Bowl, NCAA Tournament, just to name a few
