Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I've been one of the top-producing real estate agents and brokers in San Antonio for most of my career, with many of my sales occurring in and around the San Antonio airport. I've seen the benefits and the negative effects of the airport location/expansion through the years and have firsthand knowledge of how it affects neighborhoods surrounding, and the city as a whole. I'm typically the first person new folks meet when moving to our great city, so I'm on the front lines and understand how surrounding markets are both positively and negatively affected. The current plan for our airport presents a lot of issues for surrounding communities and while I know it's not going to be scrapped or reevaluated, I'd like to be a part of the solution so I can continue to sell new people on the benefits of moving to San Antonio.
