Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission	After a lifelong career in real estate finance, investment and asset management, with a heavy concentration in Community Development / Affordable Housing, I retired in 2020. Since then I have been seeking opportunities to volunteer my efforts to benefit local affordable housing initiatives, which would blend well with my background. In this regard, I am interested in exploring opportunities to provide advisory expertise and oversight in structuring commercial real estate development projects. I have extensive experience in arranging, underwriting, closing, managing, restructuring, evaluating and approving numerous complex financing and equity transactions. I also have long-term proven successes in designing and implementing highly sophisticated underwriting models used for analyzing multi-faceted real estate development projects. Although my formal background is in the accounting, finance and investment side of real estate development, my primary passion has been in community development, urban planning and neighborhood design, which I have studied extensively in my spare time over the years.
