

A RESOLUTION **2017-05-04-0023R**

DECLARING SAN ANTONIO A "HIDDEN HEROES" CITY.

* * * * *

WHEREAS, the series of wars in which our nation has been engaged over time, since World War II, has resulted in 5.5 million military and veteran caregivers who are parents, spouses, siblings and friends, caring for those wounded, ill or injured who have served our nation, as documented by the 2014 Rand study commissioned by the Elizabeth Dole Foundation; and

WHEREAS, the daily tasks of these military and veteran caregivers can include bathing, feeding, dressing, and caring for the grievous injuries of wounded warriors, administering medications, providing emotional support, caring for the family and the home, and working outside the home to earn essential income; and

WHEREAS, the nation provides multi-faceted support to our wounded, ill and injured veterans and service members through public, private and philanthropic resources, but their caregivers receive little support or acknowledgement; and

WHEREAS, most military and veteran caregivers consider the challenging work they do as simply carrying out their civic and patriotic duty, without realizing they are, in fact, caregivers, and do not identify themselves as such; and

WHEREAS, an alarming number of military and veteran caregivers, according to research, are suffering numerous debilitating mental, physical and emotional effects as a result of their caregiving duties; and

WHEREAS, in support of military and veteran caregivers, the Elizabeth Dole Foundation has launched the Hidden Heroes campaign, which includes the Hidden Heroes Cities-a nationwide network of cities committed to unifying their existing support and resources and adding others that are needed; and

WHEREAS, the City of San Antonio desires to recognize and support those who are serving in these vital roles in our own community by becoming a Hidden Heroes City; **NOW THEREFORE:**
