Describe your Professional History & Certification designations (Current and historical).	My professional history has two branches: Tourism and Philanthropy Tourism: I established in 2018 and became a Certified Professional Guide (CPG) with the San Antonio Professional Tour Guide Association in 2019. I also became a Certified Tourism Ambassador (CTA) in 2019. In addition to managing the company, I do many of the tours myself, getting to interact with countless visitors to San Antonio and hear about their experiences - at the airport, Downtown, etc. Philanthropy: I am Program Director for , overseeing \$8 million in grants made to area non-profits each year. Previous to that position, I spent four years serving as Director of Finance for a mental health non-profit in the Medical Center called The Ecumenical Center. More distant history includes repeated work for the US Department of State, including service at the US Embassy in Rome, where I held a Secret Security clearance.
Describe your Volunteer Experience & Community Service	Volunteerism has always been part of my life. I have been a member of First Baptist Church of San Antonio since 2007, serving in various capacities of volunteer leadership throughout the years. In addition to work in areas of music and youth, I am vice chair of the church's master planning committee. Additionally, my work in the non-profit space provides constant opportunities for voluntarism and service. My schedule doesn't allow me to be a regular participant at any one place, but I work to build capacity in the organizations' leadership and financial stewardship over and above my responsibilities at Baptist Health Foundation.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I am interested in this commission because both travel and San Antonio have been passions of mine since my childhood. I have been to more than 40 countries and am well-versed in the travel sphere - what stands out about airports while traveling, what are common inconveniences, etc. At the same time, my passion for and in-depth knowledge of San Antonio help me appreciate the ways the city can be showcased, as well as the importance of the initial - and continued - impression our airport makes as the gateway of our city for many visitors, locals, and corporations. I am an administrator at heart and an engaged participant of any commission, committee, or board on which I sit. I want to see our city - and its airport - do well, and I'm happy to contribute to its success however I can.
