Describe your Educational history.	I am currently a Junior at _____ double majoring in Political Science and Urban Studies. I have gone to school in San Antonio my whole life, graduating from Keystone School in 2019.
Describe your Professional History & Certification designations (Current and historical).	I have interned with Mayor Nirenberg's Constituent Services, Mayor Nirenberg's Re-election Campaign, the Texas Democratic Party, and Congressman Lloyd Dogget's San Antonio Office.
Describe your Volunteer Experience & Community Service	While at _____ I have gotten the opportunity to work with the Headwater Sanctuary at the University of the Incarnate Word, volunteering to clean up the sanctuary. I was heavily engaged in volunteer service during my high school experience in San Antonio. I volunteered at University Health Hospitals, both in the medical center and the downtown location. I also volunteered as a Teacher's Assistant at the Southwest School of Art. Lastly, I volunteered for the Womens Global Connection, which planned a large Girls Summit at the University of the Incarnate Word. All three combined gave me a total of 613 volunteer service hours.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I am excited to apply for the City of San Antonio's Higher Education Student Advisory Board, mayoral appointee, and I have enjoyed being a part of the San Antonio community since high school. While I understand that _____ is one of the smaller universities in San Antonio, it brings in a wide array of students from across Texas with varying interests and passions. I would love the opportunity to discuss their interests with the board. At the beginning of my _____ experience, _____ brought me in to ask questions about how to increase college enrollment in high school graduates from San Antonio. Through this discussion with the university, I was able to share my firsthand experience about what it is like to be a hispanic woman enrolled in a San Antonio university. Now, over two years later, I think I am only better prepared to discuss college enrollment in San Antonio universities. I am heavily involved on campus, and I strive to be an active voice in my community. As a _____ Distinguished Representative, I work closely with the admissions department to help

	<p>recruit new students. At events I would talk to prospective students and their families, and I specifically learned what they were looking for before enrolling in a university. As the LSAT Chair for the Pre-Law Society, I work closely with undergraduate students who are considering going to law school. I know what they appreciate from the university that helps prepare them for law school, and I also know what students wish universities could do better in. This could help me in discussions about college retention rates to help local college's better cater to their students needs. I would love this opportunity to be able to give back to the San Antonio community.</p>
