Release of Drainage Easements

City Council A Session Item 19

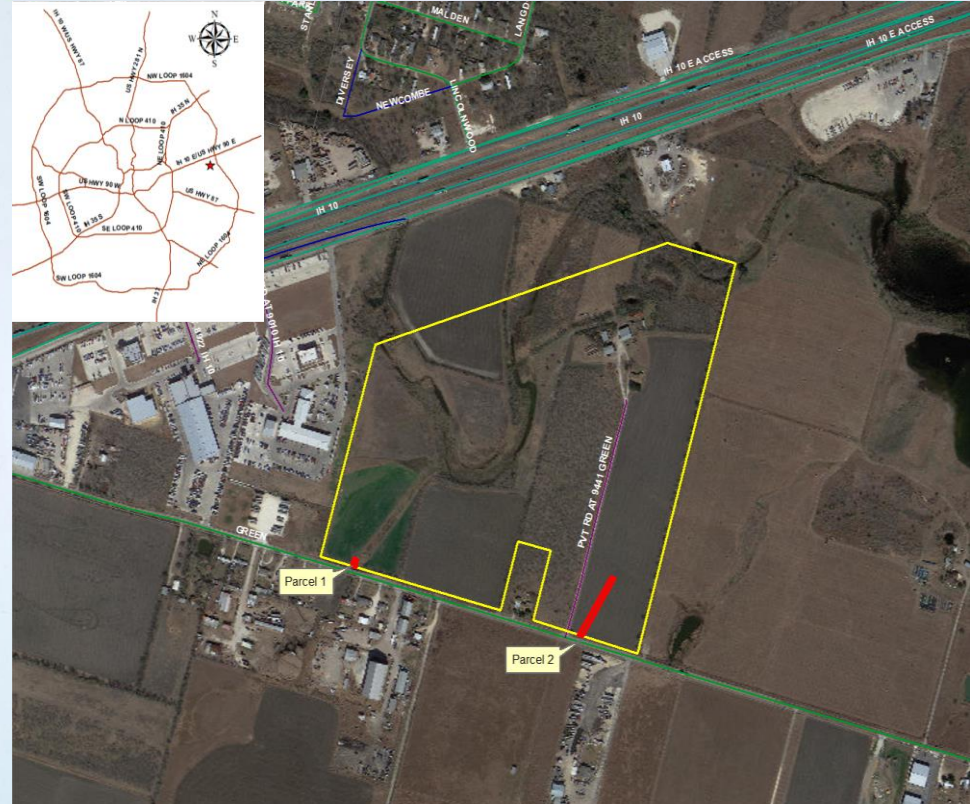

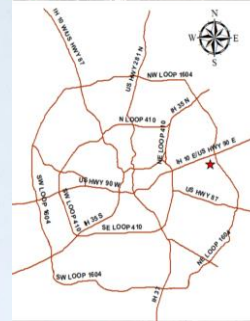

December 16, 2021

Razi Hosseini, P.E., R.P.L.S., Director/City Engineer

RELEASE OF DRAINAGE EASEMENTS – D2

- Petitioner requests the release of two city-owned drainage easements off Green Road southeast of IH-10 in D2.
- Petitioner is required to relocate the two drainage easements to ensure proper storm water conveyance as part of their redevelopment plat.
- If the proposed development does not move forward, any future development must comply with the requirement.
- Per Chapter 37, there is no fee for release of a drainage easement on non-City owned property
