RE: File No. 2003007 - Request for review of **HEIGHTS NORTH (ENCLAVE), Plat No. 20-11800153** located northwest corner of La Cantera Parkway and IH-10.

Dear Mr. Carter:

On April 6, 2020 the Aquifer Protection & Evaluation Section of the Edwards Aquifer and Watershed Protection Division of the San Antonio Water System (SAWS) received a request to review a plat for the property referenced above. Staff reviewed the documentation submitted and conducted field observations of the referenced plat to ensure compliance with applicable requirements for development over the Edwards Aquifer Recharge Zone (EARZ). The land use of the subject plat is for commercial, and consists of approximately 8.062 acres of which 6.408 are in the EARZ and 1.654 acres are in the Contributing Zone. No sensitive features were observed. The property is within the 100-year floodplain preservation area.

The proposed development is a Category 1 property under the provisions of Aquifer Protection Ordinance No. 81491-File No. 2098. Certain changes to the project may create a substantial alteration to the provision of the Water Quality Ordinance and alter its category.

A Water Pollution Abatement Plan (WPAP) has been submitted to the Texas Commission on Environmental Quality (TCEQ) and approved in their letter dated November 9, 2018

After careful review of the project and the documentation submitted by the applicant, the Aquifer Protection & Evaluation Section of the Edwards Aquifer and Watershed Protection Division of the San Antonio Water System (SAWS), recommends the **approval** of HEIGHTS NORTH (ENCLAVE), Plat No. 20-11800153.

If you have any questions regarding this matter, please contact the Aquifer Protection & Evaluation Section at (210) 233-3516.

Sincerely,
