Consideration of a Resolution of No Objection for Streamline Advisory Partners and Mission DG's application to the Texas Department of Housing and Community Affairs for the Non-Competitive 4% Housing Tax Credits program.

**SUMMARY:**

Streamline Advisory Partners and Mission DG are seeking a Resolution of No Objection for its application to the Texas Department of Housing and Community Affairs for the Non-Competitive 4% Housing Tax Credits program for the development of SoSA at Palo Alto, a 336-unit affordable multi-family rental housing development located at the SE Corner of Hwy 16 and Loop 410 in Council District 4.

**BACKGROUND INFORMATION:**

The Texas Department of Housing and Community Affairs' (TDHCA) Housing Tax Credit (HTC) program is one of the primary means of directing private capital toward the development and preservation of affordable rental housing for low-income households in the state of Texas. Housing Tax Credits are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing.

The TDHCA administers two HTC programs: a Competitive 9% and Non-Competitive 4%. This application is for the Non-Competitive 4% HTC program which is available year-round unlike the Competitive 9% HTC program which has a single annual application period. The Competitive 9% HTC program assigns points based on the type of resolution provided by a municipality (Resolution of Support versus a Resolution of No Objection), but the Non-Competitive 4% Housing Tax Credit only require that a Resolution of No Objection be submitted to satisfy requirements of §11.204(4)(C) of the TDHCA's Uniform Multifamily Rules.

In order to qualify to receive a Resolution of No Objection, the application must earn at least 60 out of 100 points from the City's scoring criteria outlined in the Housing Tax Credit Policy adopted by City Council

October 31, 2019.

## ISSUE:

Streamline Advisory Partners and Mission DG are applying to the Texas Department of Housing and Community Affairs (TDHCA) for the Non-Competitive 4% Housing Tax Credits (HTC) program for the construction of SoSA at Palo Alto, a 336-unit multi-family rental housing development located at the SE Corner of Hwy 16 and Loop 410 in Council District 4. The site is currently vacant.

The applicant has met with the Council District 4 office to provide all pertinent information regarding the proposed project. The applicant met via phone with Raul Olveda on March 23, 2021 to talk about the project and the site's need to be re-zoned from commercial to multifamily.

Any 4% HTC application earning between 60 and 100 points shall be eligible to receive a staff recommendation for a Resolution of No Objection, provided the application receives at least seven experience points under the Owner/General Partner/Property Management Experience category. The application received 15 experience points, and 72 points in total and is eligible to receive a Resolution of No Objection.

The applicant was awarded no public engagement points.

The value of the TDHCA tax credit award to SoSA at Palo Alto would be approximately \$25 million over a ten-year period. The total cost for this project will be approximately \$65.9 million. Of the 336-units, all will be rent restricted to 70% and below of area median income as defined by TDHCA's Rent and Income Limit tool using HUD data (e.g. a family of four will have a maximum income of \$50,400).
