The grant will pay for DWI traffic enforcement on an overtime basis to help augment the SAPD's efforts to reduce the incidence of DWI. Enforcement activity will be conducted with sworn officers assigned to the

program on an overtime basis. In addition to enforcement activities there will be state-wide public information and education activities conducted by TxDOT during the enforcement period.

The grant award consists of \$50,000.00 from TXDoT and an in-kind match of \$12,500.00 for a total proposed program budget is \$62,500.00. The City's in-kind contribution will come from the cost of the vehicles (fuel, maintenance, repairs, etc.) used while performing grant activities and the administrative salary of personnel to manage the grant.
