RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission recommend Approval, pending Plan Amendment. (Associated Plan Amendment PA-2021-11600086)

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Northeast Inner Loop Neighborhood Plan and is currently designated as Public Institutional in the future land use component of the plan. The requested "C-1" Light Commercial base zoning district is not consistent with the future land use designation. The applicant has requested a Plan Amendment to Neighborhood Commercial. Staff and Planning Commission recommended Approval.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. the proposed use is consistent with the established development pattern of the surrounding area, which has a mix of residential and commercial zoning categories.
3. **Suitability as Presently Zoned:** The existing "O-2" High-Rise Office District is an appropriate zoning for the property and surrounding area, as it is consistent with the future land use designation of the Northeast Inner Loop Neighborhood Plan. However, the property is currently used as a parking lot for the adjacent Sunset Ridge Church, and the proposed use of a farmer's market with no more than two (2) food trucks is also appropriate and will serve as a community gathering place for the neighborhood. Additionally, the applicant has requested a Plan Amendment to Neighborhood Commercial, which will allow for the requested "C-1" Light Commercial District.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The proposed change of zoning does not appear to conflict with the following goals and strategies of the Northeast Inner Loop Neighborhood Plan:
 - Goal 2 Economic and Physical Redevelopment of Austin Highway
 - Objective 2.3 Business Development: Attract new, neighborhood-friendly businesses and infill development that will meet the resident's daily needs and bring new vitality to the neighborhoods' commercial centers.
 - Goal 4 Parks, Community Facilities, and Recreational Programs
 - Objective 4.3 Community Facilities Acquisition and Development: Secure and develop a community facility in the Northeast Inner Loop planning area to be used for gatherings, meetings, or recreational activities.
6. **Size of Tract:** The 0.9458 acre site is of sufficient size to accommodate light commercial uses.
7. **Other Factors** The applicant proposes to host a farmer's market with no more than two (2) food trucks on weekends.
