RECOMMENDATION:

Staff Analysis and Recommendation: Staff, SAWS and Zoning Commission recommend Approval.

The SAWS Report indicates that the impervious cover shall not exceed 52.10%

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

- 1. Consistency:** The subject property is in the UTSA Area Regional Center Plan and is currently designated as “Urban Mixed Use” in the future component of the plan. The requested “MF-18” base zoning district is consistent with the future land use designation.
- 2. Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.

3. **Suitability as Presently Zoned:** The existing “R-6” Residential Single-Family District is an appropriate zoning for the property and surrounding area. The proposed “MF-18” Limited Density Multi-Family is also appropriate and offers a housing alternative to the area. The limited density housing is also suited for West Hausman Road, a Secondary Arterial street.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the UTSA Area Regional Center Plan.

GCF P14: Establish appropriate buffers and transitions (land use, form and/or landscaping) between residential neighborhoods and surrounding higher-density development.

H Goal 2: A variety of housing types (single-family detached, single-family attached, multifamily, as well as ownership and rental opportunities) is available at a variety of price and rent levels.

H Goal 3: Housing choices are available in walkable and bikeable neighborhoods located near transit, employment, retail, medical and recreational amenities.

H P18: Encourage housing to be built with, near or adjacent to retail uses.

6. **Size of Tract:** The 38.2552 acre site is of sufficient size to accommodate the proposed multi-family development.
7. **Other Factors:** The subject property is located within the Camp Bullis Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JB SA was notified of the proposed request. The Military has indicated that there is no objection to the request.

Based on the information provided to SAWS staff, SAWS identifies the subject property as a Category 2 property. SAWS staff recommends approval of the zoning request, provided that the impervious cover shall not exceed 52.10% on the site. Reference SAWS report dated March 11, 2022.
