**DEPARTMENT:** Aviation Department

**DEPARTMENT HEAD:** Jesus H. Saenz Jr.

**COUNCIL DISTRICTS IMPACTED:** Citywide

**SUBJECT:**

Parking and Ground Transportation Program Overview at the San Antonio International Airport

**SUMMARY:**

Chief Operations Officer Ryan Rocha will brief the Airport Advisory Commission members on the parking and ground transportation program at the San Antonio International Airport. The San Antonio International Airport has over 8,700 public parking spaces in its two parking garages and two surface lots. Passengers can also utilize various ground transportation options such as taxi and limousine service, rideshare services and public transportation. Commission members will provide feedback and suggestions on these services for consideration of the Aviation Department staff.

**BACKGROUND INFORMATION:**

The San Antonio International Airport has over 8,700 parking spaces including over 5,300 parking spaces in the long-term parking garage, over 1,100 parking spaces in the short-term parking garage and over 2,300 parking spaces in the surface parking lots. With the return of air traffic levels close

to the record-breaking FY 2019 levels, passengers are increasingly choosing to park their vehicles, including utilizing the recently launched valet service. Parking usage has exceeded the FY 2022 estimates.

**ISSUE:**

Mr. Rocha will provide information to the Commission members on the parking and ground transportation options at the San Antonio, including information on the valet service that relaunched this summer and other amenities. Commission members will provide feedback and suggestions for enhancing these services.
