BACKGROUND INFORMATION:

Project Background

With the adoption of the FY 2023 Budget on September 15, 2022, City Council has approved a \$116 million annual spending budget for the Street Maintenance Program (SMP). Of the program total, \$100 million is allocated based on 100% street condition per Council District and \$6 million funding in the 2022 Bond is allocated based on 50% street network size and 50% street condition

per Council District as stipulated by the Streets, Bridges & Sidewalks Bond Committee. An additional \$10 million in one-time funding from the American Rescue Plan Act of 2021 is allocated based on the miles of F Streets per Council District.

The \$100 million is comprised of both \$12 million in-house and \$88 million in contractual street maintenance projects. This ordinance authorizes one contract for FY 2023 totaling \$1,898,395.75 for the construction of street maintenance projects. Additional contracts are scheduled to be awarded at a later date for the remaining SMP.

The Goal Setting Committee set a 25% Minority/Women Business Enterprise (M/WBE) subcontracting goal and a 2% African American Business Enterprise (AABE) subcontracting goal. Rucoba & Maya Construction, LLC has committed to meeting the subcontractor participation goals.
