SUBJECT:

Chapter 28 amendment item 5-2, external, request to allow the temporary placement of temporary signs on nonresidential zoned properties and nonresidential uses within electrical easements per Section 28-74 (b)(3) Temporary placement

SUMMARY:

Request to the committee to allow for the placement of temporary signs within electrical easement with an understanding by the sign installer that will not interfere with public safety and they would be responsible for removal and/or damage when access to the easement is required. DSD has worked with CPS and SAWS to develop approvals that would allow for DSD to issue sign permits without a signed agreement for the use of the easement if the sign meets pre-determined designs requirements approved by CPS and/or SAWS.
