**SUBJECT:**

SAWS policies to serve high growth areas.

**SUMMARY:**

SAWS to provide an update on policies to serve high growth areas.

**BACKGROUND INFORMATION:**

San Antonio is one of the fastest growing cities in the United States. Significant growth is occurring within San Antonio city limits and the Extra Territorial Jurisdiction (ETJ).

SAWS is the retail water and sewer provider for the majority of Bexar County. SAWS water and wastewater certificated service areas do not always extend to the limits of the City's ETJ and may not align. SAWS has evaluated changes to the service area and sought stakeholder feedback for such changes.

This agenda item will provide an update on:

- Alignment with the City's Comprehensive Plan
- Stakeholder input for possible service area/CCN changes
- Proposed service area/CCN changes
