SUMMARY:

Palladium San Antonio, Ltd. is seeking a Resolution of No Objection for its application to the Texas Department of Housing and Community Affairs (TDHCA) for the 2023 Non-Competitive 4% Housing Tax Credits (HTC) program for the construction of a 288-unit affordable multi-family rental housing development named Palladium San Antonio, located at 4770 Military Drive West in Council District 4.

BACKGROUND INFORMATION:

The Texas Department of Housing and Community Affairs' (TDHCA) Housing Tax Credit (HTC) program is one of the primary means of directing private capital toward the development and preservation of affordable rental housing for low-income households in the state of Texas. HTC are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing.

The TDHCA administers two HTC programs: a Competitive 9% and a Non-Competitive 4%. This application is for the Non-Competitive 4% HTC program which is available year-round and requires a Resolution of No Objection from the local governing body to satisfy requirements of the TDHCA's Uniform Multifamily Rules.

On November 18, 2021, City Council updated the Housing Tax Credit (HTC) Policy for the issuance of Resolutions of Support and Resolutions of No Objection. The new policy included an increased focus on deeper affordability, proximity to transit, inclusion of sustainable or green features, and working with local businesses. Under the City's application process, Developers submit applications for Resolutions of Support or Resolutions of No Objection to the City on behalf of their affiliated entity that will apply to TDHCA for HTC's. Applications for 2023 Competitive 9% HTC applications to TDHCA must score 75 points on their City application to be recommended for a Resolution of Support by staff. Applications must score 60 out of 100 points for a Resolution of No Objection, including four from the ownership/management experience category.

ISSUE:

Palladium San Antonio, Ltd. is applying for 2023 Non-Competitive 4% Housing Tax Credits (HTC) from the Texas Department of Housing and Community Affairs (TDHCA) for the construction of a 288-unit affordable multi-family rental housing development named Palladium San Antonio, located at 4770 Military Drive West in Council District 4.

The applicant has provided the Council Office with all pertinent information per the HTC Policy.

Any 4% HTC application earning between 60 and 100 points shall be eligible to receive a staff recommendation for a Resolution of No Objection, provided the application receives at least 4 of 7 experience points under the ownership/management experience category.
